

## ILSC Australia is open for registrations now!

Dear Partners,

As you know, our Australia schools have been incredibly popular in 2016 and 2017! Because of this, we've been working hard to increase space in our schools so we can welcome the many students waiting to experience ILSC Australia. Here's what we've been working on:

- Adjustments to our ELICOS delivery format to create more study opportunities each day.
- Melbourne campus expansions which we expect to roll out at the start of April, and beyond.
- Brisbane campus expansions which we anticipate to be ready by April / May.

**Because of these efforts, we're happy to tell you that **effective immediately**, we are reopening all schools for ELICOS and VET registrations!**

We're also making it easy for you to track our space availability on an ongoing basis. Bookmark the following link to access ILSC Australia's most current space availability report, any time. We encourage you to check the report regularly to support your sales efforts, and ensure we can accommodate your registrations.

## New Schedules!

Starting April 24<sup>th</sup>, we will be launching a **brand new Full-Time Afternoon schedule**. The new schedule and variety of options provides more flexibility and supports students' various lifestyles and work schedules.

To accommodate the new schedule, we're also making slight adjustments to the timing, naming, and delivery of our other schedules.

## Transition support for current students

Our current students will be shifting to the new schedule times as of April 24th. We expect most students will find that the schedule changes better support their work and other activities outside of school.

We'll be holding info sessions with students prior to the change, and will work closely with them, and you, to ensure a smooth transition. Learn more about the changes for current students in our transition info sheet.

We hope you're as excited as we are about the upcoming changes, and the expanded learning opportunities they will provide. If you have any questions, please contact your marketer or ILSC Australia staff.

Best Regards,

ILSC Australia Directors Team.
